

Developmental Screening Clinic Flow

Clerks

- Determine if child is eligible for screen
- Hand out bilingual SWYC to parents

Medical Assistants

- Collect screen from parents to give to doctors (hand out if necessary)
- Hand out educational materials to parents
- Input results into eCW (template name ex: "9 Month SWYC Milestones")

Doctors

- Score screen and note in eCW
- Discuss results with parents
- Make referral to Early Intervention if necessary

(Nurses- Catch any missing screens!)

Patient Navigator

- Work with parents to fill out EI Referral & Health Status form
- Send patient information to NuCare for follow-up
