

## Scoring the Screen

- Who collects the screens?

---

---

- Who scores screens?

---

---

- When in visit is scoring done?

---

---

- How is scoring done? (in the Electronic Medical Record, on paper, etc.)

---

---

- What is the attending involvement in resident visits?

---

---

- Who will train the appropriate team members to score and when will this occur?

---

---

- Where will the scoring instructions be stored?

---

---

- Where/how will results be recorded in the chart?

---

---

- What will the billing process be for screening?

---

---

- How will the results be communicated to families?

---

---

- What anticipatory guidance and information will be shared with families?

---

---
