

Call: Early Intervention Program (EIP) at **(516) 227-8661**.
Please express that your doctor told you to call.

This line is confidential and bilingual staff is available to assist you. Callers can leave a message in English or Spanish, and someone will get back to you in your prefer language. If you get an answering service, you can leave a message with your contact information.

Please tell them:

Your child's name
Your child's date of birth
Your telephone number
Developmental Concern

Fill: Immediately – children can't wait!
